ALFALFA

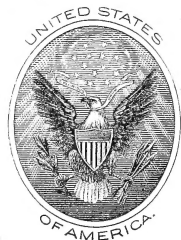

We quote Utah Alfalfa Seed at 13 $\frac{1}{4}$ c per lb.

Our Lot "Gilt" Alfalfa Seed is fully equal to our "Yellow as Gold" of the first of the season, There is but little extra choice seed left and we shall be pleased to send you a sample of this Lot "Gilt" upon request. All our seed is pure Utah dry-land stock, and we use only new seamless bags in which to ship it, for which we charge 20 cents each additional in less than car lots. Let us have your orders.
